BOARD OF SELECTMEN

At the Fremont Board of Selectmen's meeting of May 15, 2008, the Board decided to fill the current vacancy on the Board by appointing Brett Hunter of North Road until the March 2009 Town Meeting. With this appointment, Brett will fill the term vacated by Joe Dreyer in April.

Brett is currently a Captain on the Fremont Fire Rescue Department, heading up the EMS operations. He is a past member of the Budget Committee, and has served for several years on the Zoning Board of Adjustment. He also chaired the committee studying the combination of the Fire and Rescue operations.

There will be a two year term and a three year term for Selectman on the March 2009 Town Ballot.
